Please note that these discounts may not cover all of the guests allowed under your membership level at your local Zoo. Please contact the Zoo you would like to visit to see how many people are included in the discount. Parking may not be included. In addition, participating institutions in close geographic proximity to each other are not required to offer free or discounted admission to each other's members in order to participate. For instance, the Museum of Science and New England Aquarium do not reciprocate with Zoo New England.
